PASSPORT

Discover the world of Vectrex™ with game cartridges that transport you to the stars and beyond...

Here's your Passport to the challenging world of the Vectrex Arcade System, the only home video game that brings the sights, sounds and excitement of real arcade games into your own home by using its own special arcade screen.

You are about to enter a whole new world with dimensions once only imagined. A world filled with adventures and challenges at every turn... where your successes and dilemmas are determined by your skill, strategy and split-second reactions.

You are on the threshold of an exciting new video game experience—so life-like that you'll actually forget it's only a game—or is it?

Deadly Klingons. Scavenger pirate ships. Intricate mine fields. Unrelenting enemy tanks and helicopters. High-speed auto races. Anti-human robots. And much more.

This book is your Passport to the unique world of Vectrex, a world you've seen only in arcade

games. Now, Vectrex gives you all the excitement of the true arcade experience in your own home.

Bon Voyage.

INTERGALACTIC MISSIONS

As you travel through this new world of Vectrex, you'll encounter a series of Intergalactic Missions where your survival depends on your skill in outfoxing the enemies in other galaxies.

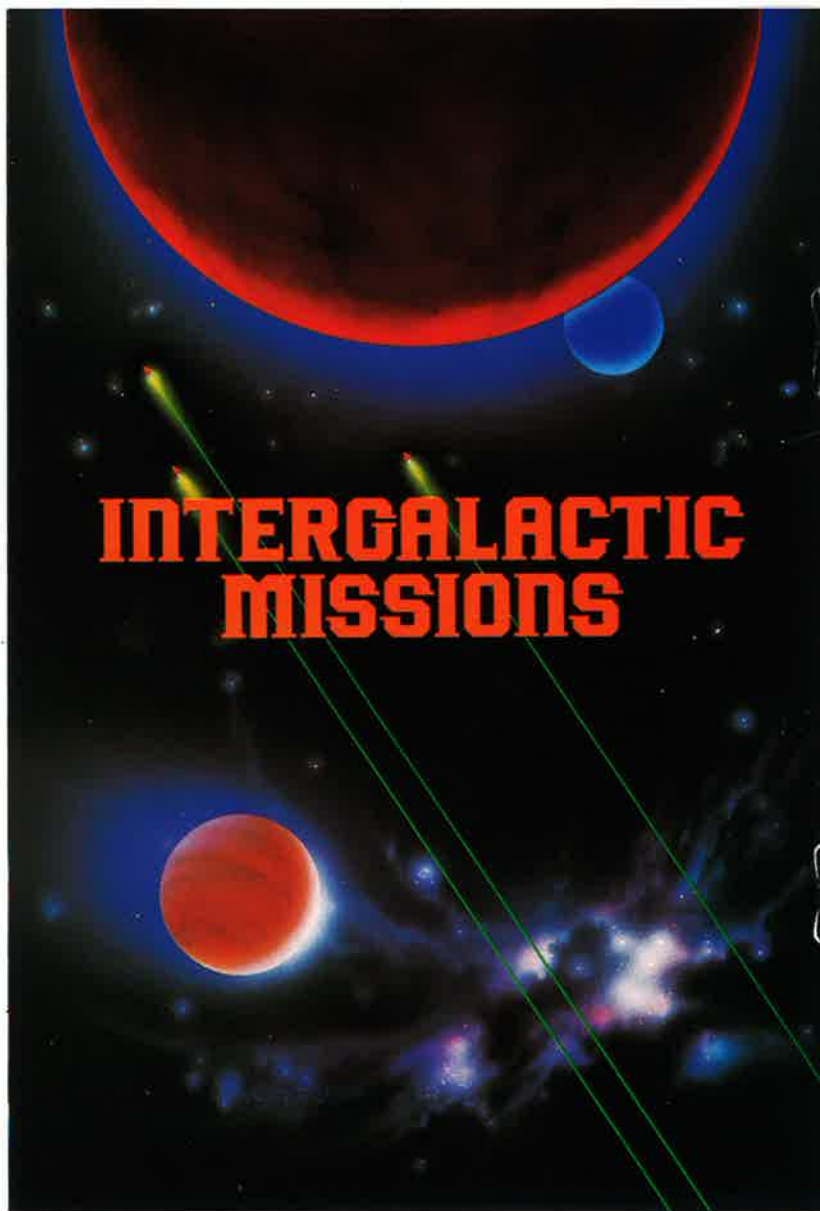

TERRESTRIAL ADVENTURES

Venture to any of the Terrestrial Adventures where you'll face a variety of earthly challenges.

SPORTING ENCOUNTERS

Enter the competitive world of Sporting Encounters. You must strengthen your athletic prowess and sharpen your reaction time in order to conquer these obstacles.

SCRAMBLE

Watch out for the next mountain! Maneuver your ship over rough terrain in an effort to destroy the enemy base. Careful piloting alone, won't get you to your destination... you must brave rockets, UFOs, flamoids and some very

tight tunnels. Few people have ever seen the enemy base, let alone destroy it. Will you be one of the select few? All the thrills of the real arcade game.

For one or two players.

STAR TREK

THE MOTION PICTURE †

Welcome, Captain Kirk, to your command on the Starship Enterprise. Your mission is to seek out and destroy the enemy Klingon Mothership. Travel through nine sectors of space, each more diffi-

cult, or take a shortcut through the Black Hole. Be careful... the Klingons and Romulans are hiding in space, waiting to destroy you at every turn.

For one or two players.

Cosmic Maze

Can you save the galaxy by blowing up the alien-inhabited planet ... and get off the planet before you explode too? Burrow deep inside, finding your way through the underground maze while bat-

ting the Planet Protectors. If you can get to the center, plant your bomb and try to find your way out. It's only a matter of seconds before the planet goes BOOM!

For one or two players.

RIPOFF

Beware of scavenging pirates trying to steal your precious fuel cells! The more pirates you destroy, the faster their successors become. Guard your tanks carefully... you're always outnumbered. All the excitement of the real arcade version in your home.

*For one or two players**

*Optional second control panel required for simultaneous two player game play.

SOLAR QUEST

How many types of alien vessels will you be able to destroy? Seven different types are after you. You must first destroy them and then attempt to rescue the survivors before they float into the sun. Don't get your ship too close to the sun... its high temperatures can destroy you too. All the excitement of the real arcade version.

For one or two players.

BERZERK

Maneuver your humanoid through the electrified mazes of robot-filled rooms. You may kill off the first group of robots but initial success does not mean survival... future groups begin firing at you!

Added danger lurks when Evil Otto enters. He can jump the maze walls and squash you if you linger too long! All the thrills of the real arcade game!

For one or two players.

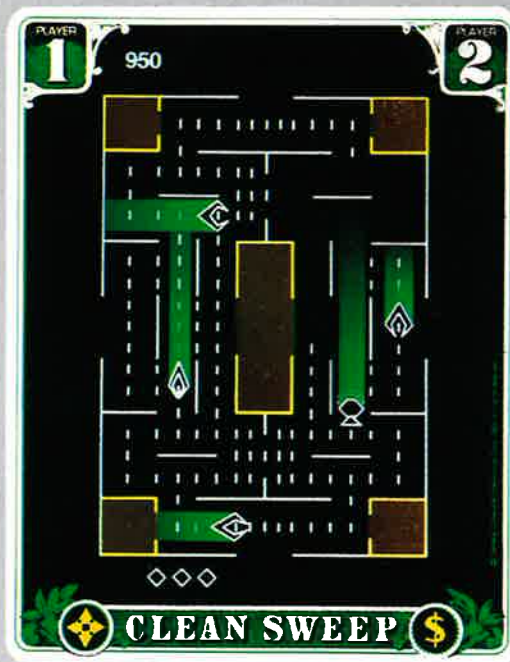

CLEAN SWEEP

Evil bank robbers have just blown your bank to smithereens. As bank president, you only have a vacuum available to recover the money strewn among the rubble before the thieves destroy you!

The thieves get increasingly anxious, but for added challenge, turn off the lights of the bank's corridors and gather the money through a blind maze.

For one or two players.

ARMOR..ATTACK

Maneuver your jeep through the streets and alleys of an occupied town. Hide from enemy tanks behind buildings and launch your own surprise attack! Improve your chance of survival by play-

ing with an ally. But beware of the deadly helicopter flying overhead... no place is safe from this treacherous enemy. All the excitement of the real arcade version.

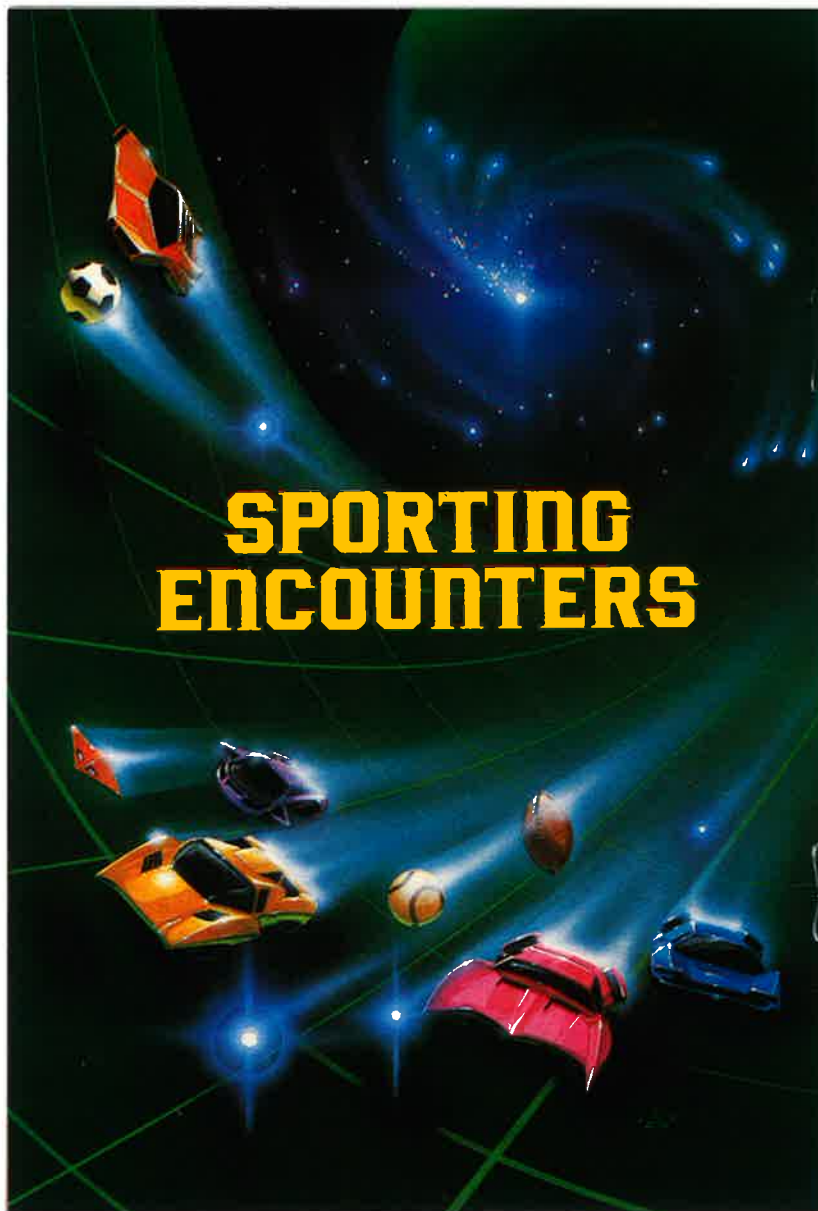

*For one or two players**

*Optional second control panel required for simultaneous two player game play.
